

#3 The only ones to leave sober after the fair ~~were~~ ^{was} the couple who showed only for lunch.

At least one couple stayed sober as they skipped the fair and opted only for lunch with the group.

*' Oh and one last thing,

Interestingly enough, there was a visiting Honda on this trip and lo and behold, it did break down. That's the last time for a nice way to be kind of nice not to mention that two Harleys also had problems, but 2 to one ain't ^{quite} so bad. We won't talk about the two Harleys ~~to~~ lot of problems that speaks for itself.
